The New Religion: Peace of Mind

These confused the age times.
One was - second man - and Soviet Russia.
Our atomic scientist, Kerbel, and 260,000.

Our nation full of confused people may not all totally enough disturbed in not really enough to be ready for a program of world

They suddenly, as a nation — a mostly called, all encompassing solution for the problems.

1. Looks like a gimmick for getting what we want. Turn religion into magic. Use it for our own purposes, rather than as a response to the will, purposes [Missed word].

By the Abnès [illegible] significative ends
The cross - Abnès - [illegible] the cross. King - Abnès - [illegible] the king.

2. May be a fine, fair weather philosophy, but it is not the faith taught in the Bible. There, man's sin must be saved through a personal experience, called "the new birth". To accomplish this, necessitates a great redemptive act - the substitution, a great redemptive act, on the part of God, as a response in righteousness on the part of man. This may not be so a faith by man. The justification always that we can do all men, without becoming [illegible].

3. Emphasize the point in, but the Bible also the negation.

These can be manifested, now with the Jesus came to fulfill.

The people in 2007 - desire - no more world.

It's impossible. He is the' man to give for their [illegible]. Houle: the first step toward the kingdoms.

Now here is not by a religion, self-centered, self-sacrifice. He who [illegible] more lives his life.
The story is of man and his faith, answered to the will of God. Sometimes the Holy Spirit leads to new ceremonies or the word rather than to the new doctrine each.

The story of God and his will is that the brightness the frame between man on the earth, the sun's intention and his own, the moon be of his own, and the moon be of his own.

Do or do not, there is no middle ground.

Love: Every day is a new day.

FAD
The former is of men, and his flesh
unworthy to be with God. Sometimes
the Holy Spirit leads to wickedness, or
we are neither then to the psychoanalytic
view.

The former is of God, not of the man.
When the twain are united, man is the
begetter of his own son. The man is in the
godhead, and not the godhead in the
man. I mean, what else shall I write if
I am to be silent. What am I to do?

Love: God is everywhere better
and better.

4. The church preaches repentance,
or heresy, etc., as a profession by
overthrowing the old faith. Our Shrewd
mother, etc., is a heretic, etc., is a
false prophet, etc.

But, the dragon,
the beast,
the false prophet,
5. Bide with him to his inevitable doom.

As the Bible careful to state that Jesus was "a manly and upright man."

No try every rule that will work.
When this is, another may be better.
When you miss, but hope not when it does.

HOW TO OVERCOME YOUR INFERIORITY COMPLEX
Ten Rules for Getting Self-Confidence
by NORMAN VINCENT PEALE

First: Hold in your mind a picture of yourself succeeding. Your mind will seek to actualize this image.
Second: When a negative thought comes to mind deliberately cancel it with a positive thought.
Third: Do not build up obstacles in your imagination.
Fourth: Do not be awestruck by other people or try to copy them.
Fifth: Repeat ten times a day these words, “If God be for me who can be against me.”
Sixth: Get a competent counselor to help you understand the origin of your inferiority feeling which often begins in childhood. Self-knowledge leads to a cure.
Seventh: Ten times each day repeat aloud the following affirmation, “I can do all things through Christ which strengtheneth me.” Conceive of yourself as receiving this strength.
Eighth: Realistically estimate your ability; then raise the estimate 10%. Do not become egotistical, but develop a wholesome self-respect.
Ninth: Through prayer attach yourself to the flow of spiritual power.
Tenth: Believe that God is with you, for nothing can defeat that partnership.
